

DRAGON MAKING WORKSHOP

Monday 19th June, 2017

You are invited to a dragon/dragonfly making workshop at Heswall Primary School. This session is for pupils from Heswall Primary and Pensby Primary who will be attending the Cressida Cowell talk on Tuesday 27th June.

During the event each child will make a willow dragonfly, which can be taken home the same evening.

We will also be making a **giant dragon** to greet Cressida Cowell when she arrives at school.

This is a collaborative schools project and following the Cressida Cowell event, we will take turns hosting the dragon. Children must be accompanied by an adult and there is a £2 charge per dragonfly to cover the cost of materials.

Please return the slip below to your school office by Friday 16th June.
