

### **Homework 12/1/17**

**Maths.** We have been using reasoning skills to find missing numbers in calculations. An example is on the Year 4 webpage.

**English.** Consequences. Follow the instructions to play this game. Have fun!

**Science.** Talk about the science investigation that we are doing in school at the moment. (Evaporation). Explain what we have done so far and your prediction.

**Spelling.** Practice your spelling list. Make sure you have your book with you every day.
