

Year 2 Homework – 04/05/17

This week in literacy we have been learning about the four different sentence types.

- Statement: To provide information.
i.e. The dogs are extremely excited.
- Question: To ask a question, include a question mark.
i.e. Why is the farmer driving the tractor?
- Exclamation: Must begin with 'how' or 'what' and include a verb, noun and an exclamation mark.
i.e. What enormous stars they are!
- Command: Giving an instruction, it can be short.
i.e. Stop running through the fields.

For the homework this week, look at the image provided from 'Lost and Found'. Please describe the scene which you see in under 200 words and use the 4 different sentence types within your work.

I am looking forward to reading your scene descriptions.

Mr. Glendenning.
