

09/02/17 - Homework

Continuing our work about Great Britain, for your homework, please research and answer the following questions about England:

1. What is the capital city of this nation? Why is it important?
2. Are there any other major cities in this nation? What is it like there?
3. Find one popular tourist attraction. What can you do there?
4. Find one famous place. Draw a picture to show what you can see there.
5. What is the countryside like? Would you enjoy visiting there?

Now choose 1 of the following questions to research further:

6. Find out about one famous person from here.
7. Find out about one sports person. What have they achieved?
8. What foods are traditionally made or eaten here?
9. What festivals are celebrated around here?
10. Are there any famous buildings here? Can you draw it?
11. What do people who live here like to do?
12. What is the weather like here?

Use the information that you collect to create a poster to show the class what you have found out. Please bring your posters into school by Wednesday 15th February, as we will be using them in class as part of our lesson.
