## **Year 5G and 6K – Fun and Exciting Visit! Wednesday 20<sup>th</sup> December 2017**

Dear Parent/Carer,

At the end of this very busy half term we are lucky enough to have been invited to a special event at Liverpool John Moores University.

Year 6 have been privileged enough to secure a place as one of only 9 schools invited to a Primary Space Lecture by The National Schools' Observatory for the past two years. This year we are able to take two classes (they normally only let us take one) so we have invited Year 5 to join us on this his exciting adventure.

*The lecture takes place at 10:30am on Wednesday 20th December 2017 and is entitled 'Cassini-Huygens and the Lord of the Rings' and will be delivered by Dr Sheila Kanani from the Royal Astronomical Society.*

*Join the Astrophysics Outreach Group as we explore our Universe, from the planets in our Solar System out to the furthest reaches of our galaxy and beyond. This interactive lecture is aimed specifically at Key Stage 2 and will introduce students to the world of astronomy in a fun and informative way whilst sending them flying into Christmas with minds full of wonder and imagination.*

**The lecture is provided for FREE, however we do have to pay the cost of transport. With this in mind we are asking for a contribution of £3 per child.**

**Please confirm that you wish your child to attend the Liverpool Visit by paying online using Tucasi. The trip can be found under 'Space Lecture LJMU'.**

**Payments must be made by 11:30am on Monday 18<sup>th</sup> December 2017.**

PLEASE NOTE:

**Payments cannot be accepted if an account is in arrears (not including Oaklands/Homework books). Your child will still be able to attend the event, but you must make your own travel arrangements to and from the venue.**

**The children will arrive and leave school at the normal times.**

Thank you for your support,

**Mr Klausen**
