

'New' Year 6 Summer Homework

2017

- **Read:** Join your local library (if you haven't already) it's FREE but you'll need an adult to go with you. During the course of Year 6 you will be expected to visit Pensby library and loan some books. The reading level in Year 6 is extremely high so you need to be reading a lot!
- **Summer Reading Challenge:** <http://summerreadingchallenge.org.uk/>. Try and take part in the Summer Reading Challenge, it's fun and it's FREE.
- **Writing:** Prepare a short speech about yourself. What do you enjoy? What do you dislike? How do you learn best? What are your hobbies/interests? We want to know everything about you!
- **Times Tables:** Set yourself a different times table to learn each week. You will be tested on these throughout Year 6. You need to know them all by heart!
- **Pencil Case!** Make sure you have your clearly labelled pencil case ready for September. In it you will need: a blue pen, a red pen, a purple pen, a pencil, a rubber, a ruler (showing mm), a protractor, a compass and some colouring pencils/pens.

Have a lovely, fun and safe holiday...

See you all in September - ready to begin!

Mr Klausen, Mrs Jones and Miss Whitty
