

Homework - Thursday 11<sup>th</sup> May 2017

Dear 2T

You have all worked incredibly hard, not only this half term, but during the whole of this school year. I know that some of you have found our work quite tricky - but I am so proud that you have 'given it a go' and tried your best.

There has been lots of talk about 'SATs' and tests and we will be completing those soon, but please do not be stressed - you will all do your best, but remember, you have all been blessed with many other skills that SATs don't test!

For your homework this week, please try to complete as many activities from the list below as you can. For extra challenge, you could even try to capture some of your activities in a photograph to display in class.

I am looking forward to seeing how many you can complete!

- Spend time with your family.
- Read your favourite book.
- Watch your favourite film.
- Ride a bike / scooter.
- Go swimming or for a walk.
- Play outside.
- Eat sweets or ice cream (with permission from your parents!)
- Laugh until your tummy hurts.
- Listen to music.
- Dance.
- Run as fast as you can.
- Relax.
- Eat your favourite food.
- Have some more sweets, or ice cream, or cake!
- Do something you have never done before.
