

Christmas Challenge

See how many Christmas activities you can complete during the next few weeks - you can begin now and carry on through our Christmas holiday. If you find other activities to do instead, please do so, I look forward to hearing all about them in January.

1. Write a letter to Santa's elves - it is usually Santa that gets all the mail!
2. Create a homemade gift and give it to a family member
3. Make a list of things that you really want to achieve in the New Year - write a note to yourself to pack away with the decorations and read next year.
4. Have a dance party in the living room to your favourite Christmas tunes.
5. Read your favourite book - or a new book if you are lucky enough to get one for Christmas! Write a book review.
6. Write your own Christmas song and perform it to your family.
7. Have a meal with your family and talk about your favourite memories of this year and the best things that have happened to you.
8. Have a family Christmas movie night - get cosy and tune into a Christmas classic!
9. If you are lucky enough to receive Christmas presents, write thank you notes and send them. Can you include something that you loved about your gift?
10. Try to get outside in the fresh air - ride your bike, go for a wintery walk, play on your scooter or just run around!

Merry Christmas Year 2 (and families) - have a wonderful break. We look forward to seeing you all on January 9th 2018.
