Childrens club May Newsletter

Dear Parents,

Booking and payment

Just to remind all parents that you need to return your booking form by the stated date on the back of the form as this will secure your child's place. Any late or unreturned booking forms will indicate your child no longer requires a place and this will be allocated to another child. If there are circumstances in which you are unable to return your form, please call club and we will endeavor to help you. Also payments must be made by the date stated on the back of the booking form. If payment is not received and the session costs are not met within two weeks your child will not be able to attend any provision within Pensby Children's Club until the balance is cleared.

Donations of games

Club are looking for unwanted games, do you have any unwanted games in good working order gathering dust at home? Please feel free to donate these to club. We have also acquired a few Nintendo DS consoles and are looking for some games to go with these - if you have any unplayed games. We do our best but we are also trying to keep up with technology today and are very aware that children are extremely good at operating this new technology. We have also got a Nintendo WII for our children to use. You have all hopefully signed our new policies and filled in the new contact details sheets. If you have not done so please do this asap and we can then allow your child access to these new exciting games.

Holiday club

Holiday club has now been confirmed but there are still places available should you require one. You can obtain a Holiday club booking form from the Childrens club page of the school website along with any other Childrens club documentation and the form is also on the Summer Term Newsletter number 3. Once you have returned your booking form, sessions will be added to the TUCASI payment system under HOLIDAY CLUB. These costs will need to be paid in advance being no later than Wednesday 20th July 2016. If you have trouble making payments by this date please let children's club know so arrangements can be made. Sessions will be added on TUCASI as of Monday 6th June 2016. You will receive a text message indicating your child's sessions are ready for payment.

Some of the children have asked if they can bring in toys, tablets or 3ds's from home, as club we would not advise this as they are expensive to replace if broken and club is not in a position to take liability for these .

Snacks and Breakfast

Just a polite note to say that children are NOT permitted to bring in their own breakfast into breakfast club, we provide cereal and other items which are included in the cost of a session. Some children may have allergies to certain cereals or bread items and we would ask that children stick to items offered in club. Snacks in afterschool club are included in a full session cost (£7.50) so children who are only booked in till 4.30pm will not be included in snack but will have fruit when they enter club at 3.20pm. The snack prepared is for everybody attending a full session and some children may not always like what is made, we do our best to cater for everybody but cannot make individual snacks for children so we politely ask children to try new things and keep an open mind.

Breakfast club

Just a reminder that breakfast club opens at 7.30am. Staff are unable to open the doors to children earlier than that as we are not insured until 7.30am.

Finally

Water bottles

If your child brings a water bottle to school can you gently remind them to pick it up and take it home as we have several water bottles left over at the end of each week and these have to go in the lost property box. Please make sure your child collects their water bottle before going home.

Thank you for your continued support and patience

The Children's Club team.
