Review of events since the last meeting

- Valentines Disco - Tuesday 14th February – this was very successful.
- Mother's day sale – Thanks for everyone for wrapping presents – Kate will arrange for classes to visit on Thursday and buy gifts.
- £1 for Red nose Day – 24th March

Summer term

- Jennie is in talks with ASDA about possible fundraising activities.
- It was agreed the summer fair will be held on Saturday 8th July. Kate will prepare a letter for local businesses asking for raffle donations. Sarah will see if she can arrange for a reptile workshop. The recycled uniform stall went down well last year – all other stalls to stay the same. The fair was expensive and it was suggested that the PTA think of a new event to be held in the car park during the fair. Also, the kitchen to be asked for possible food refreshments.
- Bag to school – it is some time since we did this - Julie to look into this.
- Other future events discussed were - Bounce for books/crazy socks and mad hair day

AOB:

Sarah Roberts has now taken over from Julie Evans in terms of finance. Julie advised what needed to be done from this point forwards. Julie is arranging for Jennie and Sarah to be signatories.

Date of next meeting

Thursday 4th May at 7.00pm for main meeting. Lorraine and Kate will meet at 6.00pm to pre plan the summer fair.
