Finances:

Julie Evans reported that the bank account stands at £7288.93. Currently the PTA are raising funds to buy a shelter for the centre playground. If this is supplied elsewhere we could redirect the funds. KB gave one idea of purchasing topic book packs for the whole school and asked the PTA to think of other ideas for the purpose of the fundraising.

Review of events since the last meeting

- Mother's day sale – Many thanks to all those who spent so much time buying and wrapping gifts. They virtually all went – it was a great success. JK passed on staff comments that it would have been nice if members of the PTA had come in to do the selling. The PTA understood this but as many of them work this can be difficult. The PTA expressed that they would like more staff to support them in attending meetings. All agreed this would be very welcome.
