Year 2 Homework

Task 1 - Active Maths. Please **click the link on our webpage** to access this activity.

Task 2 - Try to read **more** than 3 times this week. In your reading, notice how punctuation is used and talk about it.

Task 3 - As part of our work on the importance of **good mental health**, we are thinking about how **grateful** we are. This week, I would like you to think about 3 things that you are very thankful for. Either draw a picture or take a photograph of one of the 'things' and write about what it is and why you are grateful for it. We will be talking about this next week in school.
