

Dear Parents

As part of our work on developing links within the community and thinking of others, we have developed links with Wirral's Homeless Angels, to help to provide food for the homeless people of Wirral – you can find further information and/or follow their page on Facebook <https://www.neighbourly.com/wirralshomeless/feed>.

Each month a different class of 'Mini-Angels' will work with Mrs Humphreys to cook meals for the homeless, developing their own cookery, hygiene and health skills as part of their work. This month it is the turn of our 'Tiny-Angels' in EYFS who will be preparing the meals and I know Miss Grant and Mrs Embery have already mentioned this on their webpages. You will be notified by the classteacher when your child will be cooking. In order to enable us to carry this project out, we are asking for a donation of £1 per child to buy the ingredients for the meals and this is payable online, through our Tucasi system. We also require plastic 'takeaway' style containers to put the food in, so that it can be reheated at the Shelter, so if you have any that you could donate, we would be extremely grateful. We would also be interested in hearing from any local businesses who may wish to make additional donations to enable us to support this cause.

Should you require any additional information, please do not hesitate to speak to either myself or your child's classteacher.

Many thanks for your support

Mrs Toal
