Homework

In our Literacy work we have been looking at different types of punctuation including commas and apostrophes for missing letters, eg instead of I am/I'm. In your reading this week, please look out for examples of these types of punctuation and discuss them with an adult.

If you have been sent home with a CGP book this week, please complete 'Set A, Test 1'.

In Maths we have been looking at money, in particular finding different ways to make the same amount and exploring paying and giving change.

In preparation for next week's maths work, please try the challenge below:

Sam selects four of these coins.

He can use the coins more than once.

What totals could he make?

What is the lowest total?

What is the greatest total?
