

J.L.M Trampolineing

To the children at Pensby Primary Years 4. 5. 6.

We have an excellent opportunity for your child to attend my new trampolining sessions at **The Drill Birkenhead CH43 4XE**

The session will be every Sunday from 10am through to 1pm (School Term)

The price will be **£5.00** per hour. (Classes starting very soon)

We will have the use of 6 trampolines.

This venue has excellent facilities for your child to learn and grow within this sport. The premises is a professional trampolining and gymnastic club.

Once your child reaches a certain level they will have the opportunity to compete in local trampolining competitions if they desire.

I have over 30 year's experience within this sport from competing to a national level and coaching at a level 3 club coach for many successful years.

I would love to share my knowledge and passion for this wonderful sport.

Please call Mrs Jennie Murphy **07748566075**

I look forward to hearing from you to reserve your child's place.

Payment will be at the start of every session. **Jennie xx**
