

WE ARE ONE

- 1 There are people in our lives,
Some are friends and some are strangers.
Though we see through different eyes,
And we come from many places.

CHORUS [A] *We are one, we are strong,
As we sing our songs together.
We are one, we belong,
As we share our lives together.*

- 2 There are places in our lives,
There are things we've done together.
And the memory of these times
Will be in our hearts forever.

CHORUS [B] *Together we are strong,
We sing our songs together.
Each one of us belongs,
We share our lives together.*

- 3 There are seasons in our lives,
And they bring us many changes.
Through the low times and the highs,
As we turn our separate pages.

CHORUS [A] and [B] together TWICE

LAST CHORUS *We are one, we are strong,
As we sing our songs together.
We are one, we belong,
As we share our lives together.*
