

Tuesday 22nd January 3.15- 5pm, cluster schools arrive as soon as you can! Refreshments available.

Willow Lantern-Making Workshop

You are invited to a lantern-making session at Heswall Primary School. This session is for all our cluster schools: Thingwall Primary, Heswall Primary, Gayton Primary, Pensby Primary, Barnston Primary and Irby Primary. Every school will be collaborating to make a film for the Wirral 'Science Under the Stars' festival hosted by Heswall Primary School. All the lanterns made will be used to light an outdoor pathway to the event.

After the event, all lanterns will be delivered to your school for the children to take home.

Children must be accompanied by an adult and there is a £2 charge per lantern, to cover the cost of materials.

Please return the slip below with your payment to your school office by **Friday 18th January, 2019**
