

PENSBY PRIMARY SCHOOL

LAC and Previously LAC POLICY

November 2019/Sept 2020/Sept 2021/
Sept 2022/January 2023

Rationale

Pensby Primary School is committed to providing quality education for all its pupils based on equality of access, opportunity and outcomes. This policy includes requirements set out in "Promoting the education of looked after (LAC) and previously looked after children" 2018, and "The designated teacher for LAC and previously LAC Children" 2009.

Pensby Primary aims to:

- Ensure that policies and procedures are followed for LAC and previously LAC children (LAC and pre- LAC) as for all children.
- Ensure that all (LAC and pre-LAC) have access to a broad and balanced curriculum, make progress and achieve exceptional outcomes.
- Provide a differentiated curriculum appropriate to the individual's needs and ability.
- Ensure that (LAC and pre-LAC) pupils take as full a part as possible in all Academy activities
- Ensure that carers and social workers of LAC students are kept fully informed of their child's progress and attainment.
- Ensure that (LAC and pre-LAC) students are involved, where practicable, in decisions affecting their future provision.

Policy

Under the Children Act 1989 a child is legally defined as 'LAC' by a local authority if he or she:

- Is provided with accommodation for a continuous period of more than 24 hours.
- Is subject to a care order.
- Is subject to a placement order.

Previously LAC children are those who:

- Are no longer LAC by a local authority in England and Wales (as defined by the Children Act 1989 or Part 6 of the Social Services and Well-being (Wales) Act 2014) because they are the subject of an adoption, special guardianship or child arrangements order; or
- Were adopted from 'state care' outside England and Wales. 'State care' is care provided by a public authority, a religious organisation, or any other organisation whose sole or main purpose is to benefit society.

All LAC and previously LAC will have full and equal access to all of the opportunities available at RBA.

There will be a designated member of staff for LAC and previously LAC children. At Pensby Primary the designated teacher is the Headteacher.

Admissions

All LAC children have been given the highest priority within school admission arrangements. The Governing Body endorse LA policy. The LA, as the Admission Authority, believes that admissions criteria should not discriminate against LAC children. It is vital that these pupils are given a positive welcome. If necessary, they may need to be offered additional support and pre-entry visits to help the student settle.

Inclusion

This policy recognises that all pupils are entitled to a balanced, broadly based curriculum. This policy reinforces the need for teaching that is fully inclusive. The Governing Body will ensure that the school makes appropriate provision for all LAC and previously LAC.

The PEP (Personal Education Plan)

Every LAC must have a PEP, and it must be used to support the personalised learning of the child. It is coordinated in school by the designated teacher. It is vital that the school assesses each LAC child's attainment on entry to ensure continuity of learning. The school will monitor and track the achievement and attainment of all pupils at regular intervals. LAC children will require their PEP to be reviewed, according to their needs. The young person's views should be sought by the Designated Teacher and noted on the PEP.

As part of the PEP process there should be robust arrangements in place to ensure that any undiagnosed special educational needs are addressed through the Special Educational Needs and Disability (SEND) framework as soon as possible. [Pensby Primary follows the Wirral Virtual School processes and protocols for all documentation and actions in regards to LAC pupils.](#)

Allocation of resources

The Governing Body will ensure that the school allocates resources to support appropriate provision for LAC and previously LAC children, meeting the objectives set out in this policy.

Record Keeping

The Designated Teacher will know who all the LAC and previously LAC children are and will have access to their relevant contact details including parents, carers and social worker. The Designated Teacher will also know about any LAC children placed in the school from other authorities. A child's LAC and previously LAC status will be recorded in SIMS.

Staff Development

The school encourages staff to attend courses that help them to acquire the skills needed to support LAC and previously LAC children. Part of the Designated Teacher's role is to develop awareness of issues associated with LAC and previously LAC children.

Partnership with parents/carers and care workers

Pensby Primary firmly believe in developing a strong partnership with parents/carers and care workers to enable LAC and previously LAC children to achieve their potential. Review meetings are an opportunity to further this partnership working.

The Role of the Designated Teacher

- To be a central point of initial contact within the school.
- To lead in promoting the educational achievement of every LAC and previously LAC child on the schools roll.
- To take lead responsibility for ensuring school staff understand the things which can affect how LAC and previously LAC children learn.
- To ensure that there is effective induction for LAC and previously LAC children starting school, and new to care.
- To ensure that transitions to the next phase of a child's education are supported effectively, including careers advice and guidance.
- To remind parents and guardians of previously LAC children that they need to inform the school if their child is eligible to attract Pupil Premium Plus (PPP+).
- To ensure that there are no barriers to LAC children or previously LAC accessing the general activities and experiences the school offers to all its pupils .
- Promoting a culture in which LAC and previously LAC children:
 - Are able to discuss their progress and be involved in setting their own targets, have their views taken seriously, and are supported to take responsibility for their own learning.

- Are encouraged to participate in school activities and in decision making within the school and the care system.
- Believe they can succeed and aspire to further and higher education or highly skilled jobs.
- Can discuss difficult issues (such as SEND, bullying, attendance) in a frank manner with a sympathetic and empathetic adult.
- To be a source of advice for teachers regarding appropriate differentiation.
- To work directly with LAC and previously LAC children and their carers, parents or guardians to:
 - Promote good home-school links.
 - Support progress by paying particular attention to effective communication with carers, parents or guardians.
 - Encourage high aspirations and working with the child to plan for their future success and fulfilment.
- To have lead responsibility for the development and implementation of LAC children's PEP within school in partnership with others as necessary.
- To work closely with the school's Designated Safeguarding Lead to ensure that any safeguarding concerns regarding LAC and previously LAC children are quickly and effectively responded to.

All school staff will:

- Follow school procedures.
- Keep the Designated Teacher informed about a LAC or previously LAC children's progress.
- Have high expectations of LAC and previously LAC children's learning and set targets to accelerate educational progress.
- Are aware of the emotional, psychological and social effects of loss and separation (attachment awareness) from birth families and that some children may find it difficult to build relationships of trust with adults because of their experiences, and how this might affect the child's behaviour.
- Understand how important it is to see LAC and previously LAC children as individuals rather than as a homogeneous group, not publicly treat them differently from their peers, and show sensitivity about who else knows about their LAC or previously LAC status.
- Appreciate the central importance of the LAC child's PEP in helping to create a shared understanding between teachers, carers, social workers and, most importantly, the child's own understanding of how they are being supported.
- Have the level of understanding they need of the role of social workers, Virtual School Heads (VSHs) and carers, and how the function of the PEP fits into the wider care planning duties of the authority which looks after the child.
- For previously LAC children, understand the importance of involving the child's parents or guardians in decisions affecting their child's education, and be a contact for parents or guardians who want advice or have concerns about their child's progress at school.
